COMMENTS TO THE FINANCIAL STATEMENTS
Revenue for Fan Milk Limited decreased by $8.1 \%$ vs LY. The decline is driven by volume loss, resulting from price increase implemented in the last quarter of the 2019 on one hand and on the other hand the impact of the COVID 19 which has impacted our outdoor sales. Operating Profit decreased by $25.5 \%$ against prior year. This is primarily driven building brands with purpose.

To the best of our knowledge, the financial statements do not
contain untrue statements, misleading facts or omit material facts.
