22 April 2022

Dear shareholder

Annual General Meeting 2022

The Annual General Meeting (AGM) of the Company will be held at the London offices of Tullow Oil plc at 9 Chiswick Park, 566 Chiswick High Road, London W4 5XT, on 25 May 2022 at 12 noon. The Notice convening the AGM is set out on pages 8 to 9 of this document. A Form of Proxy for use in respect of the AGM and a prepaid reply are enclosed. A location map is shown on the reverse of the attendance card that detaches from the Form of Proxy. I would like to take this opportunity to give you some information about the Resolutions to be considered at the AGM.

Resolution 1: Reports and accounts

This Resolution deals with the receipt and adoption of the accounts for the financial year ended 31 December 2021 and the associated reports of the Directors and auditor.

Resolution 2: Directors' remuneration

In accordance with the Companies Act 2006 (the Act), the Company's Directors' Remuneration Report is divided into three parts: (i) the Annual Statement by the Chair of the Remuneration Committee; (ii) the Directors' Remuneration Policy Report; and (iii) the Annual Report on Remuneration.

- The Annual Statement by the Chair of the Remuneration Committee, which is set out on pages 71 to 72 of the Annual Report and Accounts, provides a summary of the Directors' Remuneration Policy Report and the Annual Report on Remuneration.
- The Directors' Remuneration Policy Report which is set out on pages 85 to 87 of the Annual Report and Accounts sets out the Company's future policy on Directors' remuneration. This Policy Report was approved by shareholders at the Annual General Meeting of the Company held in 2020. As no changes are proposed to be made to the Policy and the approval obtained in 2020 is effective for three years, shareholder approval is not being sought in respect of the Policy Report this year.
- The Annual Report on Remuneration is set out on pages 71 to 84 of the Annual Report and Accounts and gives details of the payments and share awards made to the Directors in connection with their and the Company's performance during the year ended 31 December 2021. It also details how the Company's policy on Directors' remuneration will be operated in 2022 (although, for ease of reference, those details have also been presented within the Directors' Remuneration Policy Report).

Resolution 2 invites shareholders to approve the Annual Statement by the Chair of the Remuneration Committee and the Annual Report on Remuneration for the financial year ended 31 December 2021. Resolution 2 is an advisory vote and will not affect the way in which the Company's remuneration policy has been implemented during the year under review.

Resolutions 3 to 10: Re-election or election of Directors

These Resolutions deal with the re-election or election of Directors.

In accordance with the provisions of the UK Corporate Governance Code, each of the Directors will stand for re-election, save for: Phuthuma Nhleko, who will stand for election for the first time since his appointment by the Board in October 2021 as a non-executive Director and Chair of the Board.

Following an internal evaluation of the Board's performance and effectiveness in late 2020, the Board is satisfied that each Director being proposed for re-election or election has the skills, experience and commitment necessary to contribute effectively to the Board. The Board therefore unanimously recommends the re-election and election (as applicable) of the Directors set out in Resolutions 3 to 10. Biographical details of each of the Directors standing for re-election or election appear on pages 5 to 7 of this document, including the reasons why the Board believes the Director's contribution is, and continues to be, important to the Company's long-term sustainable success.

In October 2022, Jeremy Wilson will have completed nine years on the Board. It is his intention to seek re-election at the AGM in early 2022 and in due course agree with the Board a date that is mutually convenient for him to retire before October 2022.

Resolutions 11 and 12: Appointment of auditor

These Resolutions deal with the re-appointment of Ernst & Young LLP as auditor of the Company and the authorisation of the Audit Committee to determine its remuneration.

Resolution 13: Directors' authority to allot shares

This Resolution is proposed as an ordinary resolution to give authority to the Directors to allot shares. This Resolution will, if approved, renew the Directors' authority to allot shares until the conclusion of the AGM to be held in 2023 or 30 June 2023, whichever is the earlier. This authority is restricted to the allotment of shares having an aggregate nominal value of £47,874,631 representing approximately one-third of the Company's issued ordinary share capital on 18 April 2022, being the latest practicable date prior to the publication of this Notice. The Company does not currently hold any shares in treasury.

The extent of the authority is in line with the Share Capital Management Guidelines issued by the Investment Association.

There are no present plans to allot shares other than in respect of employee share schemes.

Resolution 14: Disapplication of pre-emption rights

This Resolution is proposed as a special resolution to disapply pre-emption rights. Section 561 of the Act gives all shareholders the right to participate on a pro rata basis in all issues of equity securities for cash, unless they agree that this right should be set aside. Resolution 14 empowers the Directors, until the conclusion of the AGM to be held in 2023 or 30 June 2023, whichever is the earlier, to allot equity securities for cash, without first offering them on a pro rata basis to existing shareholders, but only up to a maximum nominal amount of £7,181,195, representing approximately 5 per cent of the Company's issued ordinary share capital on 18 April 2022, being the latest practicable date prior to the publication of this Notice.

The Directors also confirm their intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a three-year rolling period where the Principles provide that usage in excess of 7.5 per cent of the Company's issued ordinary share capital should not take place without prior consultation with shareholders.

The Directors consider that it is appropriate for this authority and these powers to be granted to preserve maximum flexibility for the future.

Resolution 15: Notice of general meetings

This Resolution is proposed as a special resolution and seeks shareholder approval for holding general meetings on 14 clear days' notice. Under the Act, the notice period for the holding of general meetings (other than an annual general meeting) of a company is 21 clear days unless shareholders agree to a shorter notice period and certain other conditions are met. The Company currently has the power to call general meetings (other than Annual General Meetings) on 14 clear days' notice. The Board believes it is in the best interests of shareholders to preserve the shorter notice period and, accordingly, proposes that Resolution 15 be passed as a special resolution.

The Board confirms that it will only call general meetings on shorter notice for non-routine business and where the timing of the meeting is considered to be urgent and abridged notice is considered to be in the interests of shareholders as a whole. If this Resolution is passed, the authority to convene general meetings on 14 clear days' notice will remain effective until the conclusion of the AGM to be held in 2023.

Resolution 16: Share purchases

This Resolution is proposed as a special resolution and seeks shareholder approval to allow the Company to make market purchases (within the meaning of section 693(4) of the Act) of the Company's ordinary shares on such terms and in such manner as the Directors may determine from time to time, subject to the limitations set out in this Resolution. If this Resolution is passed, the Company will be authorised to purchase up to a maximum of 143,623,893 ordinary shares, representing approximately 10 per cent of the Company's issued ordinary share capital on 18 April 2022, being the latest practicable date prior to the publication of this Notice.

This Resolution also sets out the minimum and maximum price that the Company may pay for purchases of its ordinary shares. If this Resolution is passed, the authority for the Company to purchase its ordinary shares will remain effective until the conclusion of the AGM to be held in 2023 or 30 June 2023, whichever is the earlier. Under the authority sought by this Resolution, the Company may purchase its ordinary shares following the date on which the authorisation expires if such purchases are made pursuant to contracts entered into by the Company on or prior to the date on which the authority conferred by it expires.

The Directors will only exercise this buyback authority, after careful consideration, when it is in the best interest of shareholders generally, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels, the expected effect on earnings per share and the overall financial position of the Company. The Directors do not have any current intention to exercise the buyback authority if approved. Purchases would be financed out of distributable profits and shares purchased would either be cancelled (and the number of shares in issue reduced accordingly) or held as treasury shares.

The Company operates certain all-employee share option schemes under which awards may be satisfied by the allotment or transfer of ordinary shares to a scheme participant. As at 18 April 2022, being the latest practicable date prior to the publication of this Notice, options were subsisting over 57,248,800 ordinary shares (the Option Shares) representing approximately 4 per cent of the Company's issued share capital. If the authority to purchase the Company's ordinary shares (as described in this Resolution) were exercised in full, the Option Shares would represent approximately 4 per cent of the Company's issued share capital as at 18 April 2022, being the latest practicable date prior to the publication of this Notice (as reduced by that purchase and excluding any of the Company's shares that may then be held in treasury). As at 18 April 2022, being the latest practicable date prior to the publication of this Notice, the Company did not hold any shares in treasury and there were no warrants over the Company's ordinary shares.

Listing Rule 9.9.6 and Directors' Interests

In accordance with the Financial Conduct Authority's Listing Rule 9.9.6, the Company confirms that the information in relation to substantial shareholdings, as set out on page 88 of the Annual Report, is unchanged as at 18 April 2022. The Directors' interests in the Company, set out on page 82 of the Annual Report, have changed as announced on 10 and 16 March 2022.

Poll voting

Each of the Resolutions to be considered at the AGM will be voted on by way of a poll. This ensures that shareholders who are not able to attend the AGM, but who have appointed proxies, have their votes fully taken into account. Any Directors who have been appointed as proxies will cast those votes as directed by the person who appointed them. The results of the polls will be announced to the London Stock Exchange and published on the Company's website as soon as possible after the conclusion of the AGM, and no later than 6.00pm on 25 May 2022.

Recommendation

Your Directors believe that the Resolutions to be proposed at the AGM are in the best interests of the Company and its shareholders as a whole and unanimously recommend that you vote in favour of them, as they propose to do so in respect of their own shareholdings.

Yours faithfully

Phuthuma Nhleko

Process

The process of asking questions and accessing the AGM audio casting will be further explained within the application and located on the information page.

Duly appointed proxies and corporate representatives

Please contact the Company's Registrar before 5.30pm on 24 May 2022 on the shareholder helpline number: +44 (0) 370 703 6242 for your Shareholder Reference Number (SRN) and PIN. Lines are open 8.30am to 5.30pm Monday to Friday (excluding public holidays in England and Wales).

Shareholders should note that electronic entry to the AGM will open at 11.00am on 25 May 2022, and the meeting will formally start at 12 noon.

3. Appointment of proxies

Members are entitled to appoint one or more proxies to exercise all or any of their rights to attend, speak and vote at the AGM. A proxy need not be a member of the Company but must attend the AGM to represent a member. To be validly appointed, a proxy must be appointed using the procedures set out in these notes and in the notes to the accompanying Form of Proxy. If members wish their proxy to speak on their behalf at the meeting, members will need to appoint their own choice of proxy (not the Chair of the AGM) and give their instructions directly to them. Members can only appoint more than one proxy where each proxy is appointed to exercise rights attached to different shares. Members cannot appoint more than one proxy to exercise the rights attached to the same share(s). If a member wishes to appoint more than one proxy, they should contact the Registrar by telephone on +44 (0) 370 703 6242 or by logging on to www.investorcentre.co.uk/contactus. A member may instruct their proxy to abstain from voting on any Resolution to be considered at the AGM by marking the 'Vote Withheld' option when appointing their proxy. It should be noted that a vote withheld is not a vote in law and will not be counted in the calculation of the proportion of votes 'For' or 'Against' the Resolution. The appointment of a proxy will not prevent a member from attending the AGM and voting in person if they wish. A person who is not a member of the Company but who has been nominated by a member to enjoy information rights does not have a right to appoint any proxies under the procedures set out in these notes and should read note 10 below.

4. Appointment of a proxy online

As an alternative to appointing a proxy using the Form of Proxy or CREST, members can appoint a proxy online at: www.investorcentre.co.uk/eproxy. In order to appoint a proxy using this website, members will need their Control Number, Shareholder Reference Number and PIN. This information is printed on the Form of Proxy. If for any reason a member does not have this information, they will need to contact the Registrar by telephone on +44 (0) 370 703 6242 or by logging on to www.investorcentre.co.uk/contactus. Members must appoint a proxy using the website no later than 48 hours (excluding non-working days) before the time of the AGM or any adjournment of that meeting.

5. Appointment of a proxy using a Form of Proxy

A Form of Proxy for use in connection with the AGM is enclosed. To be valid, a Form of Proxy or other instrument appointing a proxy, together with any power of attorney or other authority under which it is signed or a certified copy thereof, must be received by post or (during normal business hours only) by hand by the Registrar at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, no later than 48 hours (excluding non-working days) before the time of the AGM or any adjournment of that meeting. If you do not have a Form of Proxy and believe that you should have one, or you require additional Forms of Proxy, please contact the Registrar by telephone on +44 (0) 370 703 6242 or by logging on to www.investorcentre.co.uk/contactus.

6. Appointment of a proxy through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual and by logging on to the following website: www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Registrar (ID 3RA50) no later than 48 hours (excluding non-working days) before the time of the Annual General Meeting or any adjournment of that meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions.

It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed (a) voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

7. Appointment of proxy through Proxymity

If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 12 noon on 23 May 2022 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

8. Appointment of proxy by joint holders

In the case of joint holders, where more than one of the joint holders purports to appoint one or more proxies, only the purported appointment submitted by the most senior holder will be accepted. Seniority shall be determined by the order in which the names of the joint holders stand in the Company's register of members in respect of the joint holding.

9. Corporate representatives

Any corporation which is a member can appoint one or more corporate representatives. Members can only appoint more than one corporate representative where each corporate representative is appointed to exercise rights attached to different shares. Members cannot appoint more than one corporate representative to exercise the rights attached to the same share(s).

10. Entitlement to attend and vote

To be entitled to attend and vote at the AGM (and for the purpose of determining the votes they may cast), members must be registered in the Company's register of members at 6.00pm on 23 May 2022 (or, if the AGM is adjourned, at 6.00pm on the day two days (excluding non-working days) prior to the adjourned meeting). Changes to the register of members after the relevant deadline will be disregarded in determining the rights of any person to attend and vote at the AGM.

11. Votes to be taken by a poll

At the AGM all votes will be taken by a poll rather than on a show of hands. It is intended that the results of the poll votes will be announced to the London Stock Exchange and published on the Company's website as soon as possible after the conclusion of the AGM, and no later than 6.00pm on 26 May 2022.

12. Nominated persons

Any person to whom this Notice is sent who is a person nominated under section 146 of the Companies Act 2006 (the Act) to enjoy information rights (a Nominated Person) may, under an agreement between them and the member by whom they were nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, they may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights.

Notice of Annual General Meeting 2022 continued

13. Website giving information regarding the Annual General Meeting

Information regarding the AGM, including information required by section 311A of the Act, and a copy of this Notice of AGM are available from www.tulloil.com.

14. Audit concerns

Members should note that it is possible that, pursuant to requests made by members of the Company under section 527 of the Act, the Company may be required to publish on a website a statement setting out any matter relating to: (a) the audit of the Company's accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the AGM; or (b) any circumstance connected with the auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.

15. Voting rights

As at 18 April 2022, being the latest practicable date prior to the publication of this Notice, the Company's issued share capital consisted of 1,436,238,927 Ordinary Shares, carrying one vote each. No shares are held by the Company in treasury. Therefore, the total voting rights in the Company as at 18 April 2022 were 1,436,238,927 votes.

16. Notification of shareholdings

Any person holding 3 per cent or more of the total voting rights of the Company who appoints a person other than the Chair of the AGM as their proxy will need to ensure that both they, and their proxy, comply with their respective disclosure obligations under the UK Disclosure Guidance and Transparency Rules. As at 18 April 2022, being the latest practicable date prior to the publication of this Notice, no notifications in respect of substantial shareholdings had been received other than as set out on page 88 of the Annual Report and Accounts.

17. Further questions and communication

Under section 319A of the Act, the Company must cause to be answered any question relating to the business being dealt with at the AGM put by a member attending the meeting unless answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, or the answer has already been given on a website in the form of an answer to a question, or it is undesirable in the interests of the Company or the good order of the meeting that the question be answered. Members who have any queries about the AGM should contact the Company Secretary by email at TulloCompanySecretary@tulloil.com. Members may not use any electronic address or fax number provided in this Notice or in any related documents (including the Form of Proxy) to communicate with the Company for any purpose other than those expressly stated.
