GhanaPay mobile wallet for banks, RCBs, Savings and Loans launched: A common electronic wallet platform for banks, savings and loans companies and rural and community banks have been launched by the Ghana Interbank Payment and Settlement System (GhIPSS). The new innovation by GhIPSS is aimed at integrating mobile money and banking services. GhanaPay will allow consumers to have both mobile money and banking services on their mobile phone at no extra cost except the payment of Electronic Transaction Levy (e-levy) whenever a transaction is done. President Akufo-Addo launches USD750 mn Development Bank Ghana: President Nana Addo Dankwa Akufo-Addo has formally launch the Development Bank Ghana, which will help spearhead the vision of a Ghana Beyond Aid, which involves positioning the private sector to take the lead in the socio-economic transformation of our country, and create quality jobs for our young people. According to the President, the idea of setting up a Development Bank, was, indeed, announced in the 2017 Budget Statement and Economic Policy when he first assumed office. The Development Bank’s focus, the President said, is to help transform the key sectors of the economy, over a period of time, by supporting all institutions that are essential for SME transformation.
