**E-Levy collection to still commence on May 1 despite injunction – GRA:** Commissioner General of the Ghana Revenue Authority (GRA), Dr Ammishaddai Owusu-Amoah, has said the collection of the electronic transactions levy (E-Levy) will still commence on May 1, 2022. The collection of the tax, the Commissioner General noted, will be commenced despite the interlocutory injunction secured on the implementation of the E-Levy on May 1, 2022, by the Minority Caucus in Parliament. According to GRA, the decision of the GRA to go on with the collection of the said charge is due to the fact that, it has not been restrained from collecting the tax by the Attorney-General. He further added that his outfit has not also been served with the suit against the implementation of the E-Levy. (Norvanreports)
