**BoG exposes 19 unlicensed entities engaged in lending:** The Bank of Ghana (BoG) has exposed 19 unlicensed entities engaged in the provision of loans to the Ghanaian public. The Central Bank in a statement observed that this is in contravention of the Banks and Specialised Deposit-Taking Institutions Act, 2016 (Act 930). The Bank noted that the activities of these unauthorised entities amount to non-adherence to the consumer protection requirements, and are an abuse of customer data and privacy laws. These illegal entities mostly employ the use of mobile applications and social media in their activities, this according to BoG. The Central Bank is thereby cautioning the general public to desist from conducting such kinds of business with these institutions, as they do so at their own risk. (thebftonline)
